

Project 1- Static Website for a Client

AJ Walker, Justin Park

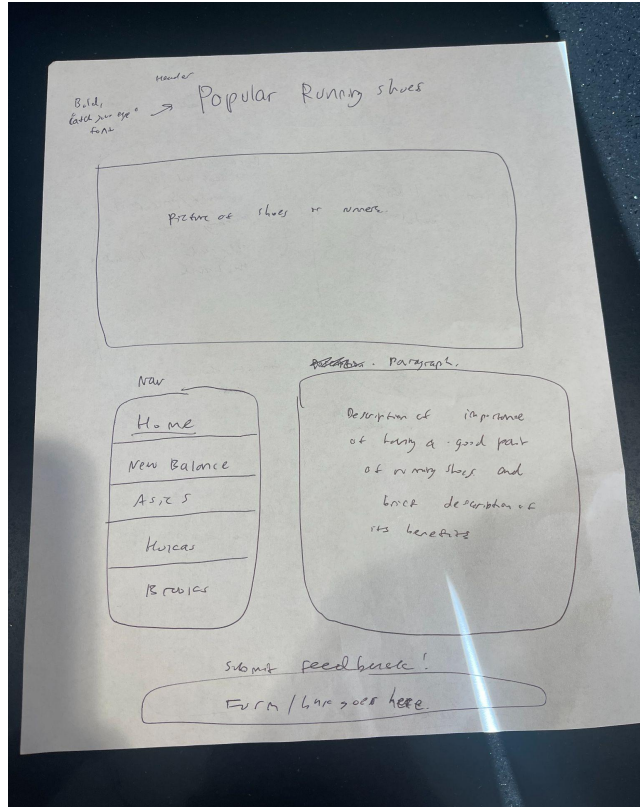

Theme/Purpose

To provide the public with general information about popular running shoe brands.

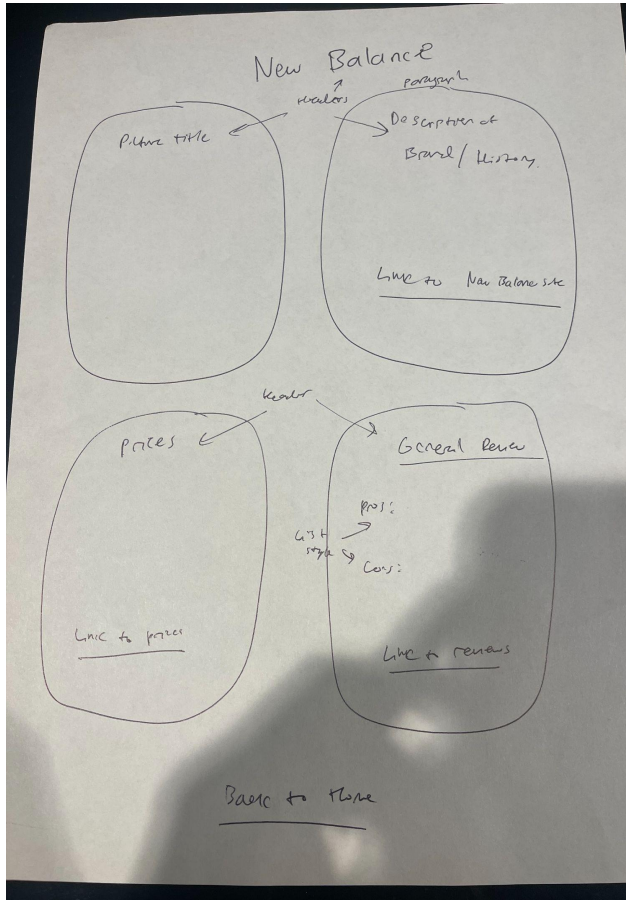

- Will give brief overview of brand, brand history, price ranges, and examples of real online reviews that will share pros and cons of the shoe brand

Page 1, Homepage (index.html)

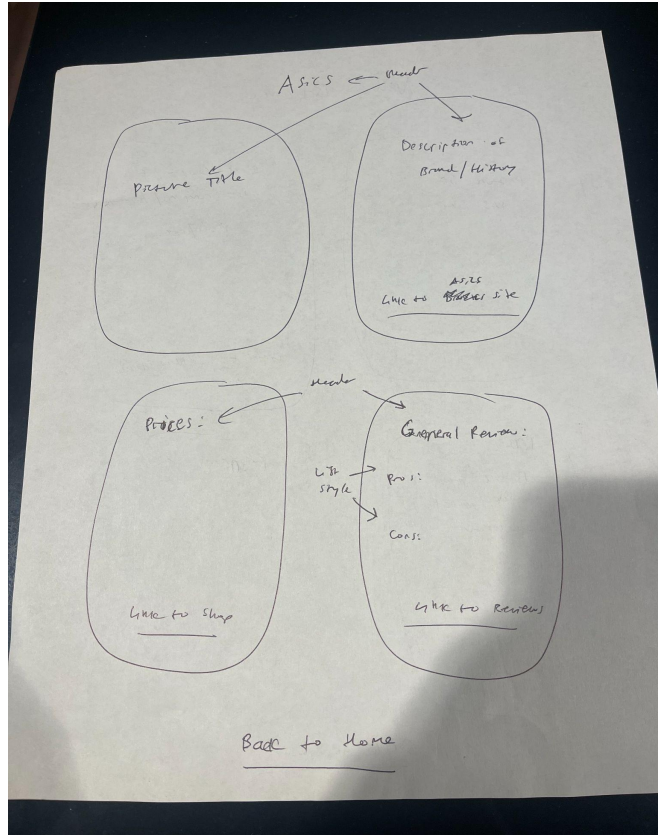

- Header(s): Sans Serif Font, Bolded
- Center Picture should be eye catching
- Navigation table on center/bottom left of the page. Style of the navigation bar from past lab
- Paragraph of body includes general information in sans serif font? Some kind of easy to read/presentable font
- Bottom link to form for feedback

Page 2 (newbalance.html)
